## ISPCA WEDDING FAVOURS

Your special occasion will remain in our hearts!

## You can make your special day, truly one to remember!

Please consider that instead of chocolates or sugared almonds as wedding favours, why not present your guests with not only a really thoughtful gift for them but a life saving gift for the many animals that depend on the ISPCA.

Your personalised favours can be designed with any of the below pictures, or to even include your own pet in your special day. Images must be print quality. Once you have decided on the image and size of your personalised tent card, the next choice is how many cards? Generally speaking, two or three of the larger sized cards per table would be sufficient, but we are very flexible and happy to supply more.

The ISPCA can only help the many animals that depend on the ISPCA, by support from caring people like you. We hope that you could make a minimum donation of €150.00 for your favours.

Thank you for considering the ISPCA Wedding Favours, it is a really beautiful gesture that we hope will bring you much luck in your life together.
